Secretary  
Federal Communications Commission  
445 12<sup>th</sup> Street, SW  
Washington, DC 20554***RE: Supplement to Section 63.71 Application of Momentum Telecom, Inc.***

Dear Ms. Dortch:

Momentum Telecom, Inc. (“Momentum”), through undersigned counsel, hereby supplements its Section 63.71 Application (“Application”) filed with the Commission on October 23, 2018.<sup>1</sup> Momentum submits the attached amended customer notice, which conforms to the requirements in the Commission’s rules.<sup>2</sup> Momentum notes that the amended notice has been provided to all remaining customers of Momentum.

Furthermore, in the Application, Momentum requests authority pursuant to Section 214(a) of the Communications Act to discontinue Momentum’s provision of service in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, South Carolina, and Tennessee. In the certificate of service included with the Application, Momentum erroneously included additional states where the Application was to be served. However, Momentum corrects the record to clarify that Momentum only served the Application on the relevant federal authorities and the states where discontinuance is sought.

Questions or inquiries regarding this supplement to the Application may be directed to the undersigned.

Respectfully submitted,

Michael C. Sloan  
*Counsel to Momentum Telecom, Inc.*

## **UPDATED NOTICE OF SERVICE DISCONTINUANCE**

### **YOU MUST CHOOSE A NEW LOCAL AND LONG-DISTANCE TELEPHONE SERVICE PROVIDER**

Dear Valued Momentum Customer,

Thank you for being a valued customer of Momentum Telecom, Inc. This letter is to inform you that on or after December 15, 2018, Momentum will stop providing telecommunications services in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, South Carolina and Tennessee. As a result, effective on or after December 15, 2018, Momentum will cease providing the local and long-distance (interexchange) telephone services that you currently receive.

**Your action is required!** Because Momentum will discontinue all phone service as of December 15, 2018, you need to select a new telephone service plan as soon as possible if you wish to retain your current telephone number and assure continuity of service. You must also select a new long distance provider if you use Momentum for your long distance service. You do have the option to purchase local and long distance telephone service from other service providers in your area. A list of alternate service providers may be found in the front of your local telephone directory or on-line.

The proposed discontinuance of your local telephone service is subject to regulatory approval by the Federal Communications Commission (FCC). The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington DC 20554, and include in your comments a reference to the § 63.71 Application of Momentum Telecom. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

### **TAKE ACTION NOW**

Please take immediate action to select a telephone service provider on your choice. **If you do not switch your service to another provider before December 15, 2018, your service will be terminated and you may not be able to retain your current telephone number.** Please take action **NOW** to avoid interruption in your service. If you have any questions, please call Momentum Customer Service at (800) 466-2210.

Sincerely,

Momentum Telecom, Inc.
